Postlude

Zion Lutheran Church welcomes our visitors and guests. We are pleased that you have come to join us in the worship of our God of grace and love. May you be strengthened and uplifted in our time together. Plan to be with us, again, at your earliest opportunity.

All people of faith and those who seek faith are welcome to receive the Sacrament of Holy Communion. This morning, we will be distributing the Lord’s Supper in a continuous fashion. Trays holding individual cups of wine are on stands at either side of Pastor Jeff for those wishing to receive wine. The ushers will invite the congregation to come forward down the centre aisle.

Please note that masks are “no longer mandatory”; but, continuing to wear a mask is strongly recommended. Our ropes for “limited” capacity have come down; but, we do encourage “social distancing” wherever possible. “Pre-registration” for worship is no longer required.

SUNDAY SCHOOL: A reminder that Sunday School will end at 11:15 A.M. We ask that parents/guardians wait until that time before coming for your children.

WELCOME: This morning we are fortunate to have Franklin join us once again. Franklin “**thank you**” for delighting us with your beautiful organ playing.

>for those who have no one to pray for them.

DRIVERS NEEDED FOR SALT REFUGEE SPONSORSHIP:

SALT 3 will need more volunteer drivers during the next several months. Drivers are scheduled or called as needed when members of the sponsored family need rides. As Volunteer Coordinator, I am compiling a list of people who can help with that. Stephanie Donaldson (Driver Coordinator) and someone from the SALT Health Team will be putting together a roster. Some of the needs involve more than just giving a ride. Some offer opportunities to get to know the family and enjoy outings with them. Here are typical kinds of activities:

- Doctor, dentist, optometrist, etc. appointments): These drivers assist the SALT Health Team.
- Shopping: Until the family becomes familiar with stores here, it's important for someone to go in with them and help them navigate.
- Recreation: When family is settled, the children likely will get involved with sports and recreational activities. If it involves children without one of the parents, there should be at least two volunteers present.
- Just rides: Sometimes it's just giving them a ride.

Some things you need to know:

- Volunteer drivers must get a Vulnerable Sector Screening check. This can be done online through your local police service. (A VSS done within the past year is acceptable.) You must provide SALT with proof of auto insurance with liability coverage.
- When transporting children, you must use the booster or car seat provided by the family with the seat and the child correctly secured. (Instruction will be provided.)
- You don't need to speak Arabic! When needed, arrangements will be made for that. Otherwise, it usually goes fine with a few basic words and gestures. Google Translate on your phone sometimes helps!

If you would like to do this (or know someone who would):

Send an email to salt3sponsors@gmail.com with the following information:

- What kind(s) of driving needs you would like to help with?
- Best phone number to reach you at.
- Phone number for text if applicable.

We will send you more detailed information about what is required. Myself or another team lead also may be in touch to talk with you.

Thank you for considering this!

Signed, Tom Patterson
